The move began Monday June 18 and we hope to be all settled by Friday, June 22.

We will have our "Grand Opening and Ribbon Cutting Ceremony" mid to late July.

Greetings!

The staff has been busy researching programs that add value to your membership...and money in your pocket. We will be debuting two new programs in the very near future in which you and your business can voluntarily participate to save money! We hope you will be as excited to learn about and participate in them as we are to present them to you!

Stay tuned for our announcements!
